Retail Sales & Brand Execution Specialist

PROFESSIONAL SUMMARY

Marketing and sales specialist with 5+ years of international experience across consumer electronics, retail sales, customer engagement, digital marketing, and event coordination. Skilled at translating technical features into clear customer benefits, supporting retail teams, maintaining branded displays, creating product content, and improving customer confidence at the point of sale. Comfortable with fast-paced store environments, AI-assisted content tools, Canva, ERP/cash systems, and bilingual English/Mandarin communication.

TARGETED STRENGTHS

Consumer technology product demos | Customer education | AI-enabled feature explanation | Retail display and planogram execution | Product storytelling | Customer needs discovery | In-store team support | Sales conversion | Competitive product awareness | Canva content creation | English / Mandarin communication

WORK EXPERIENCE

Brand Ambassador | Dell | Edmonton, AB

- Served as an in-store consumer technology product expert, converting technical specifications into practical customer benefits that supported purchase decisions.
- Explained device performance, accessories, software use cases, and ecosystem value in a clear, non-technical way for different customer profiles.
- Collaborated with retail sales teams to strengthen product knowledge, improve sales execution, and support branded display standards.
- Supported planogram execution, product presentation, demo readiness, and merchandising accuracy to create a stronger in-store brand experience.
- Maintained current knowledge of product roadmaps, competitive trends, and retail technology solutions to align recommendations with customer needs.
- Shared customer and market insights with team members to improve positioning and support premium product communication.

Sales Representative | iFurniture | Edmonton, AB

- Advised customers on product selection, suitability, pricing, delivery expectations, and after-sales support, improving the overall customer experience.
- Handled returns, exchanges, and customer inquiries professionally, contributing to positive customer feedback and 30+ five-star online customer reviews.
- Created Canva product photos, price tags, and social media content to strengthen store visibility, product communication, and brand consistency.
- Processed payments and cash transactions through ERP systems with accuracy and accountability.
- Monitored stock levels, pricing labels, and product display accuracy to maintain clear customer information and reduce friction during sales conversations.
- Maintained organized store displays and supported unloading, lifting, restocking, and back-end operations when needed.

Field Sales Representative | Kognitive Sales Solutions - PC Financial | Edmonton, AB

- Presented financial products through consultative, client-focused conversations while consistently exceeding sales targets.
- Translated financial product features into accessible customer solutions, improving understanding, trust, and engagement.
- Built strong relationships with in-store management teams to increase promotional visibility and cross-selling opportunities.

Business Developer / Specialist | Funliving Ltd | Beijing

- Created and executed digital marketing campaigns across social media and listing platforms, increasing inbound inquiries by an average of 30%.
- Researched North American rental markets and developed 200+ tailored listings for 500+ international students, simplifying housing decisions.

- Built partnerships with property managers and real estate agents to expand service reach and market presence.

Warehouse Associate | Wonder Kitchen & Bath | London, ON

- Supported sales operations through inventory management, order fulfillment, and logistics coordination to ensure timely delivery.
- Trained junior team members on assembly, quality control, and sales support procedures.
- Operated commercial vehicles for local deliveries while maintaining safety and reliability standards.

Sales Specialist | Fine Kitchen Inc. | London, ON

- Used 20-20 Design software to create custom visual presentations and 3D kitchen renderings, improving the sales consultation process.
- Led a full website redesign and integrated a Shopify chat system to improve user experience and customer interaction efficiency.
- Managed full-cycle customer appointments, communications, quotations, and payment processing.
- Trained new associates on sales workflows and design software best practices.

Marketing Specialist | Xhub SPACE | San Jose, CA

- Managed social media strategies and increased audience engagement across Facebook and other digital platforms.
- Designed and launched marketing events that contributed to a 20% increase in new revenue streams.
- Maintained active online community engagement to strengthen brand loyalty and partnership development.

Marketing Specialist | Star Alliance Culture Inc. | San Jose, CA

- Developed customer and partner relationships to enhance brand visibility.
- Managed social media content and engagement to support brand growth.
- Designed and implemented marketing events that contributed to a 20% increase in new revenue streams.
- Maintained an active online brand presence, engaging users to build positive relationships and brand loyalty.
